Communicate this to your students, parents and chaperones!

Indoor spaces will have access to single stream recycling (NO GLASS) as well as regular trash cans. Please use containers as provided. Be SPARTAN Green and recycle whenever possible.

**Outdoor Team Camp spaces** are now under regulation by the Infrastructure Planning and Facilities. Please refer to the Official Approved outdoor spaces map, which is now posted on the website. Approved outdoor spaces are indicated by slash grid lines on this map (includes park areas {no cars} and parking lots). Note all other regulations, directions, and limitations on this map. Team camps are asked to use waste receptacles and clean up your space as much as possible.

The MSU Landscape Services have approved limited propane grilling in designated outdoor camp areas. This activity will be closely monitored for compliance in the following areas:

1. Only propane grilling is approved – no charcoal fires are violations!
2. Do not position grills under trees, bushes or building structures.
3. Do not leave empty propane tanks behind; penalties to MSO will be charged if tanks are put in garbage receptacles and dumpsters. If you use it, take it home with you for disposal.

All teams are required to report their team camp (indoor or outdoor) location by 9:00 a.m. at Tournament headquarters in the Auditorium, room 120. A copy of this form will be included in your tournament packet; please do not return it until you register on 5/2/15. This assists us in finding teams should emergencies arise throughout the day. PLEASE make sure you put your cell phone number on the form so we may contact you during the day if needed.
