Permission Slip Information

33rd Michigan Science Olympiad State Tournament – May 2nd 2015

In order for your team to compete at the State Tournament on May 2, 2015, you will need to bring a signed permission slip for each student that will be participating that day (this includes alternates who accompany the team). Any student that does not have a permission slip will not be able to compete that day. This is required by Michigan State University. Please take the necessary steps to distribute and collect your team’s permission slips, and make sure you have them before coming to East Lansing.

Below is a sample permission slip with the minimum information that is required by MSU. Do not use this sample as your actual permission slip, but rather your district’s form.

The permission slips should be in the same order as your Team Roster (this speeds up the check-in process). The permission slips will be collected at registration and not returned. Make copies for your records if needed.
