## MICHIGAN SCIENCE OLYMPIAD

State Tournament on April 29, 2017

# Code of Ethics

Student participants are expected to compete in tournament events with an honest effort to follow the rules and the spirit of that competition. The goal of competition is to give one's best effort while displaying honesty, integrity, and sportsmanship.

Students, coaches, and parents are expected to display courtesy and respect toward Olympiad officials, other teams, and guests of the Olympiad.

Failure to show honesty and/or courtesy by a participant, coach, or guest of the team, may result in disqualification of the team from that event and/or the entire tournament.
