

Permission Slip Information

37th Michigan Science Olympiad State Tournament – April 27th, 2019

In order for your team to compete at the State Tournament on April 27th, 2019, you will need to **bring a signed permission slip for each student** that will be participating that day (this includes alternates who accompany the team). Any student that does not have a permission slip will not be able to compete that day. This is required by Michigan State University. Please take the necessary steps to distribute and collect your team's permission slips, and make sure you have them before coming to East Lansing.

Below is a **sample** permission slip with the minimum information that is required by MSU. *Check with your school district for their approved permission slip, and please use that form* after ensuring that it contains at least the information on the sample.

The permission slips should be in the same order as your Team Roster (this speeds up the check-in process). The permission slips will be collected at registration and not returned. Make copies for your records if needed.

Sample Permission Slip

Parental or Guardian Permission: Education Field Trip Form

_____ has my permission to accompany his/her school on a field trip to _____ on _____.
(Destination) (Date)
