Wells Hall rooms: B115, B117, B119, B122  
Bessey Hall: 108  
Outdoors in approved areas (check website)

**Unless you have been assigned a classroom DO NOT OCCUPY SPACES NOT LISTED ABOVE!!**

Unlocked or empty classroom spaces which are not on this indoor camp list above are

**OFF LIMITS!**

Communicate this to your students, parents and chaperones!

These spaces are first come, first serve. Buildings open at 6:30am. It is expressly forbidden (and rude) to claim space in one of these areas the night before. We will remove and discard tape, signs, equipment, etc., that are placed in rooms before 6:30am.

We require a representative from your team to come to headquarters and tell us the location of your primary team camp if you did not turn in your team camp location form at registration. This assists us in finding you should the need arise.

Outdoor team camp spaces are now under regulation by the Office of Campus Park and Planning. Please refer to the Official Approved outdoor spaces map, posted on the website. Approved outdoor spaces are indicated by colored areas on this map. Note all other regulations and limitations on this form. Team camps are asked to use waste receptacles and clean up your space as much as possible.

The MSU Grounds Department and Office of Campus Parks and Planning have approved limited propane grilling in designated outdoor camp areas. This activity will be closely monitored for compliance in the following areas:

1. Only propane grilling is approved – charcoal fires are violations!
2. Do not position grills under trees, bushes or building structures. Grilling is allowed only in parking areas, not park areas.
3. Do not leave empty propane tanks behind; penalties to MSO will be charged if tanks are put in garbage receptacles and dumpsters. If you use it, take it home with you for disposal.

All teams are required to report their team camp location by 9:00 a.m. at Tournament headquarters in the Auditorium, room 120 A copy of this form will be included in your tournament packet; please do not return it until you confirm your camp area on 4/27/19. This assists us in finding teams should emergencies arise throughout the day. PLEASE make sure you put your cell phone number on the form so we may contact you during the day if needed.
